

### **What happens after the meeting?...**

You may get a copy of notes made in the meeting or these will go to your parent carer to discuss with you.

This is so you have a record of what has been agreed.

If there is something in the notes, you are not sure about, ask someone to go through it with you. This might be your parent/carers or another trusted adult.

If there is a date set for another meeting you might want to make a note of this so you can give yourself time to prepare again.

You can speak to us if you would like something in the notes from the meeting explained to you.
