

Bexley Information, Advice and Support Service.

Are you **aged 25 and Under**?

Are you **disabled** or do you have **special educational needs**?

The law says that you can get **information, advice and support** related to your Education, Health and Social care needs.

Our service is **impartial**. This means we will not take sides.

We will give you the information and support you need to make your own choices.

Our service is **confidential**. That means our meetings will be private. We will only tell people what we talk about if **you say it is ok**. We need to tell someone if we think you are in danger of being hurt.
